INTERNATIONAL FOUNDATION PROGRAMME

INTRODUCTION

Novena University, Ogume invites applications from suitably qualified candidates for admission into our International Foundation Programme for the 2009/2010 academic session commencing October, 2009.

PROGRAMME

The International Foundation Programme is an intensive one year programme designed to prepare participants for admission onto the first year of a three year programme at Birmingham City Business School in the United Kingdom or alternatively for entry onto the 200 level programme at Novena University, Ogume (through JAMB) for students who are unable to progress onto the undergraduate programmes in Birmingham City University.

PROGRESSION OPPORTUNITIES

Birmingham City University welcomes and encourages applications from students who have successfully studied their International Foundation Programme (100 Level Programme) with Novena University and who wish to progress to study on programmes offered by Birmingham City Business School.

Additionally, students who have successfully completed their first year of study on the B.Sc. Business Administration or B.Sc. Accounting undergraduate degrees offered by Novena University will also be considered for first year entry onto a wide selection of full-time undergraduate degrees offered by Birmingham City Business School.

ADMISSION REQUIREMENTS

Holders of five (5) Ordinary Level credits in relevant subjects including English Language and Mathematics at not more than two (2) sittings are eligible to apply for entry onto the International Foundation Programme.

Successful candidates completing the International Foundation Programme who wish to continue their studies at Novena University will be required to obtain JAMB Direct Entry forms to apply for admission into the 200 level programmes.
